

This is a site plan diagram. It features several colored regions: a large grey area on the left, a green area at the top, a large magenta area on the right, and blue areas at the top left and bottom right. A pink area surrounds the magenta and green zones. A blue line with dots traces a path through the site. An orange square is in the top right. A white building is at the top center. A wheelchair icon is on the left. A 'Stand Prévention' sign is on the right. The text 'Zone Bénévoles' is in green, 'Jacquard' is in black, and 'Zone de travaux' is in black.
